## Is it difficult to get a bridle to fit your horse or pony?

Not with our made to measure service - simply follow the instructions and send us the measurements and we'll do the rest.

### 1. Browband

Measure the browband's total length from one end to the other

### 2. Noseband

Measure the nose part undone from one end to the other but don't include the buckle

### Noseband (b)

Measure the noseband, excluding the buckle, from one end to the hole that you do up on

### 3. Headpiece

From the end of the throatlash one side to the end of the point strap the other side

### 4. Bit to Bit

From where the cheekpiece joins the bit one side over the head to where the cheekpiece joins the bit the other side

Please tick ✓

Cheekpieces level with noseband  Cheekpieces below noseband  CMS  Or Inches

## Returns, Exchanges & Complaints

Goods supplied damaged in your opinion through defective materials or poor workmanship should be returned for inspection within 14 days of receiving them (at customers expense, we recommend you get proof of posting). Under no circumstances should items be continued to be used when damaged, as you will be deemed to have accepted the goods in their damaged condition. Under no circumstances can English Bridles be held responsible for goods accurately manufactured & completed according to the measurements supplied by yourselves, which upon receipt are found to be the incorrect size. Postage fees will be reimbursed for justified damages or poor workmanship.

By ticking this box you are agreeing to accept our Returns, Exchanges & Complaints policy. We cannot process this order until the box is ticked.
